If two sections have equal or near-equal number of dots, then the direction will be somewhere in-between (NE, NW, SE or SW); it might even be completely changed -- in case of diametrically opposites (N/ S to E or W; E/ W to N or S) -- depending on which of the two possible options has more number of dots.]

General Predictions Related to Native

General Characteristics :-

Your Ascendant falls in sign Virgo. This sign has been classified as an earthy, common or flexed sign. Certain other natural qualitative characteristics have also been attributed to it: this sign is sterile and human by nature.

For being born in this Ascendant, you will be endowed with an ingenious, studious, and witty nature. Always very systematic and methodical in your approach, you will be a very learned person - always be in search of knowledge for the purpose of attaining perfection. You will be inclined to continuing informal studies or conducting research; the occult and the allied subjects might also be of interest to you. You will be a reservoir of patience and perseverance.

You will have much of interest in art and literature. In all your affairs in general, you will habitually be critical and precise; yet you will be soft-spoken, well mannered, benevolent, and judicious by nature. You will firmly believe in simple living and high thinking, and manage your monetary affairs very prudently. You might be an avid collector of curious things - which may have appealed to your fancy during sometime of your life; but you may have a queer habit of not to part with anything you have ever collected.

Mental Characteristics :-

In your chart, the Moon is situated in sign Virgo - which is ruled by Mercury. It is a common, negative, and earthy sign. You are likely to have a quiet, easy-going, and somewhat irresolute nature; but you may not be overly ambitious, will be totally devoid of boasting habits, and always abhor vain pretensions. Although you will be endowed with a fair degree of intellectual powers, and will remain engaged in intellectual pursuits, you may rather prefer to function in a position that involves responsibility and even sub-ordination; this is since you will attach more value and importance to leading your life in peace, and always prefer to avoid unnecessary tensions.

You will remain closely attached to your home, and your near and dear family-members will make your life very joyful and happy. Agriculture, agricultural produce, medicines, herbals, food-articles, bakeries, confectioneries, domestic consumables, and other items of household applications will attract your attention more in comparison. You will develop very cordial relationships with your colleagues, superiors and sub-ordinates alike; and if you are ever employing a domestic servant, he/ she also will always remain very well disposed to you, and treat you with great respect.

Your innate nature will be quick and alert, yet at the same time you may also be somewhat secretive -

which will make you unusually patient. Steep decline of family-fortune, or complex domestic disputes, or some other kind of imposed restraint or privation in early life may make you somewhat inward-looking or withdrawn. You are likely to have formal study of analytical sciences, but dexterous arts will also be of interest to you as well - you will not only have the keen desire to learn the theoretical text-matters, but will also be interested in the practical features or applied aspects - which you will consider to be more important in comparison.

You may come up with some original findings of your own, or discover some facts, or invent some appliances - which will find useful applications in mundane activities. As time passes by, your maturity and the capacity to contribute will increase; you will develop a vivacious and genial nature, brilliance in conversations, and mastery of pleasing allusions. Possibly you will undertake some journeys to distant inland or even foreign places - on an academic or cultural mission.

Physical Appearance :-

Your complexion may be fair. You are likely to have a middle stature, and a well-made slender physical structure with a round face. Your eyes will be beautiful. Your voice might be somewhat high-pitched. At times, you may appear to be somewhat fickle-minded; and as age passes by, you may tend to acquire a melancholic disposition.

Qualities :-

You will be endowed with unique power of analysis. You will be intelligent and have retentive memory. You will avoid conflicts and love peace and harmony. You will work in a very systemic way. You will have knowledge of many fields. You will be prudent and not waste money. You will have interest in art and music.

Negative Traits :-

You may be confused and fickle minded. You may be devoid of self confidence. You may not be realistic and chase your vague dreams.

Special Characteristics :-

1. You will be intellectual and highly receptive.
2. You will be dutiful and very systematic in approaches. You will consider every minute detail
3. You will be modest, religious and soft spoken.

Profession :-

You can be a successful counselor, lawyer, doctor, teacher, professor, statistician, computer programmer mathematician, accountant, singer, writer, manager. You can gain from transport, travel, telephone, jewelry business.
